Kowacce da take ganin rayuwa ba zata daidai I'm gonna tell you that at the end of tunnels there's light!

There goes my hands shaking
You're the reason
My heart keeps beating
I need you now!

If I can turn back the clock
Make sure the light defeated the dark
I'll spend every hour of every day
Keeping you safe!

I climbed every mountain
Swim every ocean
Just to be with you
Fix what a broken
Cuz you need to see that you're the reason!

Alhamdulillah!!!
